

DIGGING TOUGHER THAN IT SHOULD BE?

Discover how our Mud Dog® can make it easier.

- Safe, simple method for potholing, uncovering buried utilities/fiber optics and creating new trenches
- Industry's simplest operation sequence – single control panel that even the newest employees can quickly learn
- Fast, thorough unloading with unique Ejector Plate Technology that scrapes the body clean
- On-board water heater for cold weather projects
- Vigorously tested to ensure long life and successful use in the most extreme conditions

Call Super Products today for a FREE demonstration and you'll see just how simple and effective your digging can be.
